The Starline Collection

Your journey begins with us!

SAFETY

We believe our first responsibility is the safety of our drivers, passengers and the public. Our equipment is maintained properly and according to standards.

We are committed to maintaining the highest level of safety rating with all regulatory authorities.

SERVICE

We exemplify excellent customer service in our communication, documentation, professionalism and demeanor.

We appreciate our team members' continued vigilance to be professional, safe and provide extraordinary customer services.

We provide our customers with solutions in a timely manner, our drivers arrive on time, and we ensure timely and accurate billing.

TEAMWORK

We are thankful our employees choose to be part of our team and join us in a combined effort toward excellence in transportation services.

As an industry leader, our drivers, mechanics, detailers, office staff and managers find more job satisfaction, reward and respect as part of the TDM team than anywhere else.

RESPECT

Our leaders demonstrate the values of respect, efficiency, and giving back to the communities we serve in volunteerism and philanthropy.

We assist in the development of our employees both personally and professionally.

STEWARDSHIP

We are dedicated to protecting the environment through our day-to-day Green initiatives.

FINANCIAL STABILITY

Economic sustainability allows us to continue to support our excellent team, contribute to the wellbeing of our region, and give back to the community.

We maintain a conservative financial plan, which enables us to grow, to fund new products and services, to create environmental safeguards, to participate in community stewardship and to brace against economic hardship.
